

# Sparx Engineering – Company Profile

Sparx Engineering (سباركس للهندسة)

Turnkey fire protection solutions across Egypt – design, supply, installation, testing, commissioning, and maintenance.

---

## 1) Company Snapshot

- **Company:** Sparx Engineering (سباركس للهندسة)
  - **Industry:** Firefighting & Fire Alarm Systems
  - **Location:** 10th of Ramadan City, Al-Sharqia, Egypt
  - **Phone:** +20 101 000 1898
  - **Email:** Info@sparx-engineering.com
  - **Website:** <https://sparx-engineering.com>
- 

## 2) What We Do (End-to-End)

### Fire Alarm Systems

- Addressable & conventional detection
- Panels, detectors, MCPs, sounders, interfaces

### Firefighting Systems

- Hydrant / hose reel networks
- Sprinkler networks
- Fire pump rooms (jockey / electric / diesel)

## Clean Agent Suppression

- Preliminary FM-200 room quantity estimation
- System layout support, commissioning readiness

## Maintenance & Readiness

- Preventive maintenance programs
  - Testing & reporting
  - On-call response aligned with contract SLAs
- 

## 3) Our Delivery Method (How We Work)

1. Site survey & risk mapping
  2. Engineering design & BoQ preparation
  3. Procurement & logistics
  4. Installation & staged testing
  5. Commissioning & handover documentation
  6. Maintenance & continuous readiness
- 

## 4) Brands & Manufacturers (Reference)

We work with products from leading manufacturers such as:

- Meteory (fire extinguishers)
- Apollo (fire detection)
- SRI (fire extinguishers & suppression systems)

Logos and product images remain the property of their respective owners and are used for manufacturer identification.

## 5) Selected Capability Highlights

- Multi-discipline execution: civil / mechanical / electrical coordination
  - Structured testing approach before handover
  - Clear documentation for owners, consultants, and civil defense processes
- 

## 6) Contact
